Lic. Arturo Chavez Chavez,

Before I explain the motive of this letter, let me express my respectful regards.

We have learned about the situation in which Mr. Ramón Ayala Garza is involved. Mr. Ramon Ayala is a U.S. Citizen, same country which I represent as a United States Senator. This letter is to ask that my testimony be taken into consideration during the process regarding Mr. Ayala.

Through out the years Mr. Ramón Ayala Garza has been notable for participating and taking part in noble causes in the community. We have witnessed his humanitarian acts done in good faith to help all those in need within this community and throughout the United States and México. I am aware of all the recognitions he has received from government institutions and non-profit organizations as a result of this good behavior. I can tell you that Mr. Ramón Ayala Garza is an honorable person with an impeccable reputation and has always respected all the federal and state laws in our country.

With all due respect, I request that the person overseeing the case revolving Mr. Ayala take my words into consideration in hopes that they help support the decision that will define Mr. Ayala's situation.

I am at your complete disposal to answer any questions that may arise regarding this matter.

Sincerely yours,

A handwritten signature in cursive script that reads "Eddie Lucio, Jr.".
